Watch for details on Nye Gets Lit!!!

NYE GOES NUTS 2000 WAS A HUGE SUCCESS!!!

We made \$17,000 after expenses and 250 people attended the all -school reunion.

We will give 15% of that amount, or \$2,550, to the Nye School and the Nye Fire Department. Each of them will get \$1,275.

The Nye Fire Department will use the money to start a fund for the purchase of "Jaws for Life" extraction equipment. This is a hydraulic metal cutter used to extract victims from auto crashes or other wrecks.

The Nye School will use the money to start a fund to redo the floor in the school.

The remainder of the \$17,000, or \$14,450, will be invested through the Montana Community Foundation so that our money will earn interest for us to use in the future for the Nye area community.

Many, Many Thanks to everyone who helped us at NYE GOES NUTS!!!
