Nye Goes Nuts

**2001
WAS A BIG
SUCCESS!!!**

We Made \$16,000 After Expenses

We are keeping 15% of that amount, or \$2,400 to use in the Nye community. The remainder, or \$13,600, will be put in our endowment account with the Montana Community Foundation. It will invest the money and give us the income annually.

Our Gift

Above: Keith Martin, right, vice chairman of the Nye Community Foundation, presents a check for \$900 to Mike Russell, assistant chief of the Nye Volunteer Fire Department. The money is part of the proceeds from Nye Goes Nuts 2001, and will be used to purchase the drop tank, in the foreground.

Nye Foundation Helps Nye Fire Department

This month we gave \$900 of the \$24,000 to the Nye Volunteer Fire Department for the purchase of a drop tank for the department's new fire truck. A drop tank is a temporary reservoir. Since many fires are not near a source of water, the firemen haul water in tender trucks and put the water into the drop tank near the fire, then go back for more water.

So, we have \$15,000 left to use for community purposes in the Nye area.

Do you have suggestions?

Scholarship Fund

The Foundation hopes to start a Scholarship Fund with the income from the investment account. By adding the income in 2000 to the income in 2001, we expect to have a scholarship available in 2002. On the committee are Bill Clossin, Penny Keogh and Pam Oliver.
