Nye Goes Nuts 2008

Another successful Nye Goes Nuts celebration in July 2008 finished with the drawing for the Honda Rancher ATV. This raffle is a major fundraiser for the Nye Community Foundation and has always been loyally supported by our friends in Nye and the neighboring communities.

This year, another local resident, Jim Bates from Fishtail, was the lucky winner of the ATV.

The Nye Goes Nuts celebration was held again this year at the Nye Fire Hall. Friends and families from near and far met for games, good food, and conversation. Community is the focus of the NCF and Nye Goes Nuts emphasizes that community spirit.

Board member Keith Martin hands over the keys to lucky winner, Jim Bates. Congratulations!
