## THE STARS ARE OUT!

### 2010 SCHOLARSHIP RECIPIENTS

The Nye Community Foundation awarded three \$1000 scholarships this spring to area students Julia Ratliff, Jessica Ecret, and Kaitlin Keogh. The NCF chooses the annual recipients on the basis of school success with an emphasis on community service. All three have been active in service projects during school, and in the Nye community. Julia Ratliff, daughter of Larry and Pam Ratliff of Nye, will be attending the University of Montana in Missoula to major in Child Development. Jessica Ecret, daughter of Scott and Johnnie Ecret of Absarokee, will be attending classes at Montana State University-Billings in the fall, studying to be a dental hygienist. Kaitlyn Keogh will begin her senior year at Montana State University at Bozeman this fall. Kaitlyn is the daughter of Noel and Penny Keogh of Nye. Kaitlin is majoring in Natural Resource Conservation Rangeland Management. The Nye Community Foundation takes pride in acknowledging the achievements and talents of our students. Best wishes in all that you do, Julia, Jessica, and Kaitlin. Congratulations!

### COMMUNITY INVESTMENTS

In 2009 and, to date, in 2010, the NCF has awarded \$7500 in scholarships to area students. Funds in the amount of \$3094 were given to the Absarokee High School Technical Department to update computers and software. The AYSO (American Youth Soccer Organization) received \$300 in support of their program which provides athletic opportunities for our young people. The Nye School received \$1000 for the continued improvement of the school grounds. The Nye Community Foundation reviews requests made for donations and grants dollars based on funds available and the appropriateness of the request. Formal requests for funding may be made in writing and addressed to
